Domain & Hosting (Billed Separately)

Domain registration and web hosting charges are not included in this quotation. These will be billed separately based on the hosting provider selected.

Terms & Conditions

- This quotation is valid for 2 (two) days from the date of issue.
- Payment terms: 100% advance payment before commencement of work.
- Website delivery timeline: 7-10 working days from content & branding assets received.
- Digital marketing services are billed monthly (₹10,000/month including GST) — payable in advance each month.
- Google Ads spend of ₹500-600/day (₹15,000-₹18,000/month) is to be paid directly by the client to Google via the Ads account.
- Client must provide all branding assets (logo, photos of machinery, project images) in a timely manner.
- Up to 2 rounds of website design revisions are included. Additional revisions will be charged separately.
- Domain registration and hosting charges are NOT included and will be billed separately or managed by the client.
- Website will be fully responsive, mobile-optimized, fast-loading, and SEO-friendly.
- Google Ads results depend on market competition, budget, and seasonal demand. No guaranteed leads are promised.
- Either party may terminate the digital marketing retainer with 15 days written notice.
- All prices mentioned are inclusive of GST (18%).

Privacy & Confidentiality

Zan Services respects client confidentiality. All data, credentials, business information, and technical details shared during the project will be kept strictly confidential and used only for project execution.

No client data will be shared with third parties without prior consent, except where required by law or platform policies. Website source files and access credentials will be handed over to the client upon full payment.
